Smart Cow Buyers . . . ATTENTION . . .  
    . . . Here is the Sale for YOU

## COMPLETE DISPERSION

Of The LONG ESTABLISHED and FAVORABLY KNOWN

## SANDSNESS BROS.

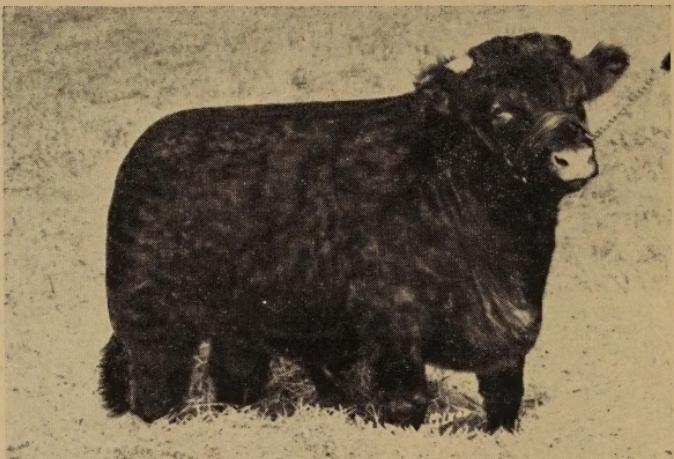

## CLOVER RIDGE SHORTHORN HERD

SALE TO BE HELD AT THE FARM

PETERSON, MINNESOTA

**THURSDAY, SEPTEMBER 26, 1963**

SALE STARTS AT 12:30 C.S.T.

**GOLDEN MAX . .**  
Congress Sale  
champion in 1953.  
Purchased from  
Homer Clausen  
for \$1,200.  
His sire, CB Gold  
Max 4th, did a  
great breeding  
job for Ed  
Pulliam and Dan  
McCubbin,  
Aksarben Acres,  
Omaha, Nebr.

## HERD BULLS USED . . .

Ever since this herd was founded in 1917 by Julius Sandsness . . . carried on by his widow and sons from 1928 to 1951 . . . and then operated as Sandsness Bros., strict attention has been paid to herd sires.

Several are pictured on these two pages. A brief rundown on the main sires used is carried on the opposite page to give you an indication of the great stress which this herd has always given to its herd bulls.

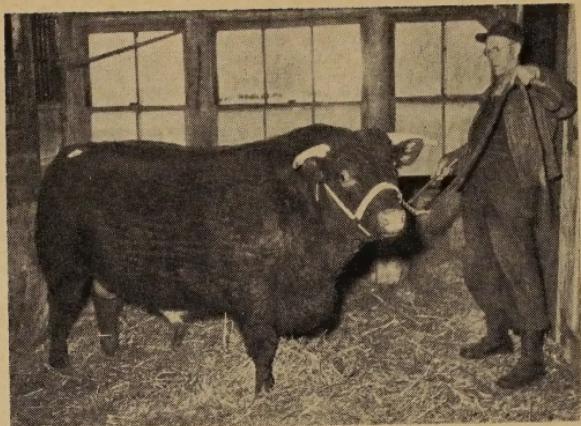

**MILLORAY  
GRENADE . .**  
Purchased in the  
Gulbranson Bros.  
dispersion for  
\$2,000. Will  
Johnson of The  
Shorthorn World  
called him "the  
best bull in  
North America."  
He was used  
until 11 years of  
age. Bred by  
W. J. Hagie  
and Son, Clarion,  
Iowa. Sired by  
Sultan Leader by  
Browndale Hero.

**SULTAN  
CLARION . .**  
Second top seller  
in the 1939  
International  
Congress Sale.  
Purchased for  
almost twice that  
year's sale  
average. Mathers  
Bros. were the  
contending  
bidders.

- 1920**—Scottie Cumberland purchased from Coverdale Bros., Iowa.
- 1932**—Edellyn Max by Calrossie Lord Rothes. Purchased from Edellyn.
- 1934**—Bridgebank Roan Chief, reserve champion bull at the International Congress. Bred by Rothrock, Spokane, Wash., purchased from Mathers Bros., Mason City, Ill.
- 1939**—Sultan Clarion (pictured).
- 1941**—Milloray Grenadier (pictured).
- 1950**—Model Graduate by Meyrose Graduate, he by Crug-gleton Postboy. Champion and top-selling bull in the Wisconsin Shorthorn Sale. Purchased from Vince Baker & Co., Edmund.
- 1953**—Golden Max (pictured).
- 1958**—Claymore Control and Claymore Gallant. Purchased from Claymore Farms, Spencer, Iowa. Control is now being used in the McMartin herd and Gallant in the Allan Garness herd, both in Minnesota.
- 1961**—Hickories Dupont (see pages 8 and 9).

#### CLOVERIDGE GRENADEER . .

This son of Milloray Grenadier was the champion and top seller at the 1946 Minnesota State Sale for Sandsness Bros. He sold for an all-time Minnesota State Sale record price when he was purchased by Norman Findahl, Waterville, for \$1,975.

## THE CLOVER RIDGE SALE RECORD!

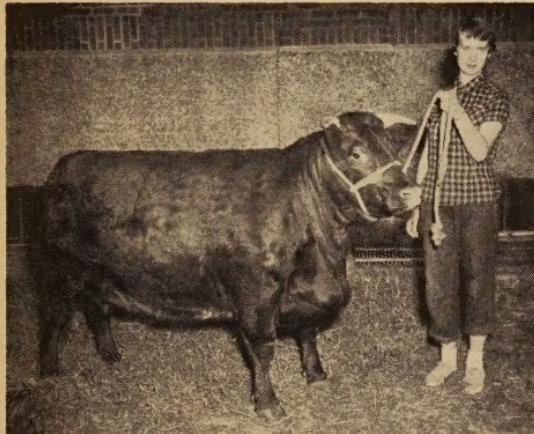

The Sandsness herd has always enjoyed a strong private treaty trade. Consequently, they have been only occasional consignors to sales . . . usually the Minnesota State Sale. However, their record in these sales has always been good. In 1946 they had both the champion bull and female. That bull sold for a Minnesota State Sale record price which still stands.

In recent years they have consigned only to the Austin Club Calf Sale and had the top-selling heifers there in both 1960 and 1961.

Just last fall a noted Iowa Club Calf buyer and seller offered to contract their entire calf crop, all by Hickories Dupont. This is a pretty good testimonial as to the quality of calves being produced in this long-established herd.

## A GOOD SHOW RECORD . . .

The Sandsness family have shown only in 4-H events. That record includes . . . the champion Shorthorn heifer, 1941 Minnesota State Fair . . . champion Shorthorn heifer, 1953 Minnesota State Fair . . . champion Shorthorn heifer over all breeds, 1954 Minnesota State Fair . . . champion Shorthorn heifer, 1956 Minnesota State Fair . . . grand champion steer over all breeds, 1955 Fillmore County Fair.

Left . . . Rachel Sandsness and her grand champion heifer over all breeds at the 1954 Minnesota State Fair.

Right . . . Rachel Sandsness with her grand champion steer over all breeds at the 1955 Fillmore County Fair. This steer stood fourth, all breeds competing, at the St. Paul Junior Livestock show.

# **GENERAL INFORMATION**

**TIME** — Sale will be held Thursday, September 26th. This sale will start at 12:30 C.S.T.

**LOCATION** — The sale will be held at the Sandsness Farm located on Highway 43, eight miles south of Rushford or 16 miles north of Mabel.

**TERMS** — Terms of this sale are cash unless other arrangements have been made in advance with the Sandsness Bros. and the sale manager is notified. Settlements are to be made with the clerk at the conclusion of the sale. All stock will be at the buyer's risk as soon as bid off.

**GUARANTEE** — All bulls will be sold under the Standard Guarantee endorsed by the American Shorthorn Ass'n. Since this is a dispersion, no guarantees accompany the females. However, cattle will be pregnancy checked and buyers will be informed of any questionable breeders.

**HEALTH** — Interstate health certificates will be furnished on all lots. This is a modified accredited county and no disease problems have ever existed in this herd. All females have been calfhood vaccinated for Bang's.

**LIABILITY** — Each transaction in this sale will constitute a contract between buyer and seller. The auctioneers, clerk, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or any accident. Every effort will be made for the comfort and safety of those attending this sale, but the seller assumes no liability for injuries that may occur. Statements from the block take precedence over information in the catalog.

**REGISTRATION CERTIFICATE** — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Signed applications for registry will be furnished with each unregistered bull or heifer calf and for each unborn calf sold in dam.

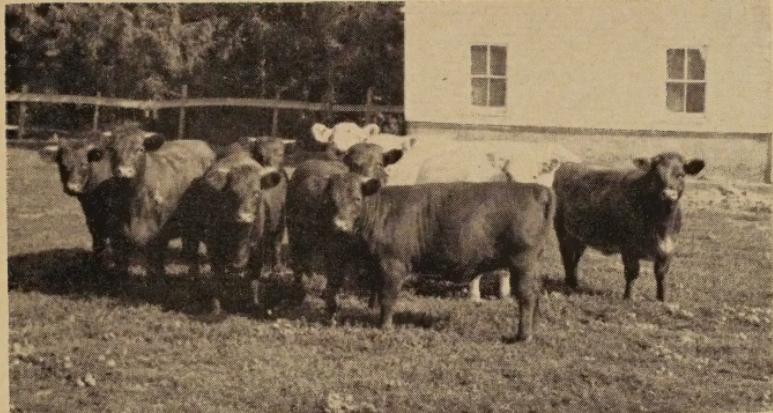

**AUCTIONEERS** — Jack Halsey, Des Moines, Iowa; Robert Sherrard, St. Ansgar, Iowa; Walter Ode, Lanesboro, Minn.

**SALE MANAGER** — Bill Stunkel, 16 South Locust St., Aurora, Ill.

**LUNCH** — Will be available on the grounds.

**LATE BIDS** — Phone Bill Stunkel, Marvel or Joe Sandsness, or any of the auctioneers.

**MOTELS** — The Golf View Motel, one mile east of Rushford on Highway 16, will be sale headquarters. There are other hotels and motels in the vicinity. We will be happy to make reservations for you.

Here is an excellent group of open heifers that will sell in this sale. These are daughters of Hickories Dupont.

## 77 HEAD SELL AS 51 LOTS

### 10 BULLS . . .

Including a proven herd sire, an excellent junior herd sire, and 8 yearling bulls suitable for either registered or commercial herds.

### 26 COWS WITH CALVES . . .

All of these calves are by Hickories Dupont and out of good-sized cows of quality . . . the kind you would like to have in your herd. Most of these cows are bred back.

### 8 BRED COWS AND HEIFERS . . .

A real herd-improving group . . . the kind that can be bought only in a dispersion.

### 7 OPEN HEIFERS . . .

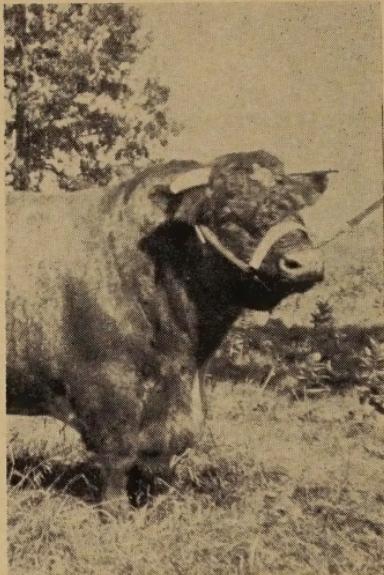

A top-quality group . . . the kind you would like to mate to your herd bull.

### ATTENTION 4-H AND FFA EXHIBITORS . . .

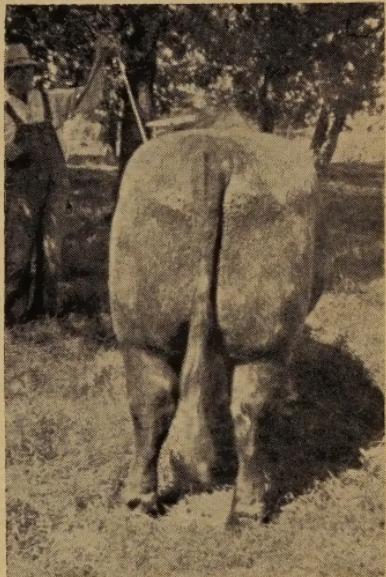

This sale contains a large number of bull and heifer calves that would make outstanding project calves. You'll like them!

# HICKORIES DUPONT

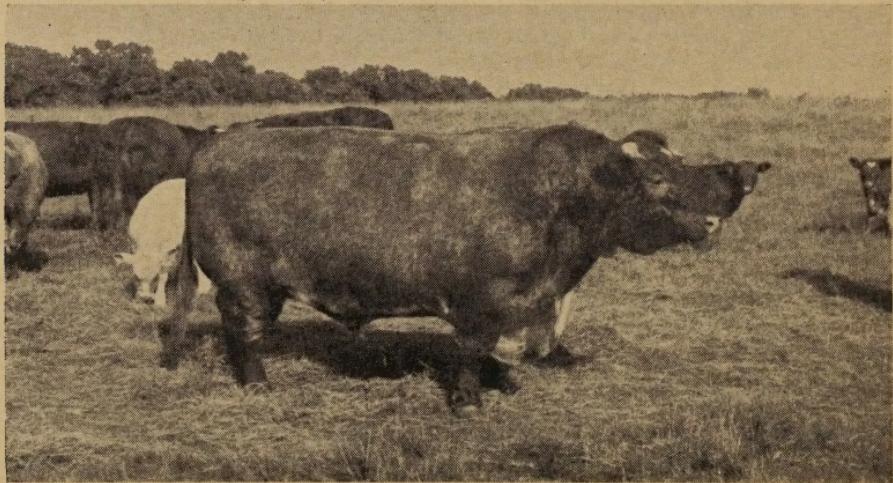

A GOOD HEAD . . .

A GOOD QUARTER . . .

AN ALL-AROUND GREAT BULL . . .

# A 2,400-POUND BULL . . . A GREAT INDIVIDUAL . . . AN EVEN GREATER SIRE!

**DAM**

Hickories Marigold 2d  
White, Wm. A. Taylor

Mercury's Control  
Roan, Joseph M. Collins  
Marigold 79th  
Roan, Russell Loper

The pictures on the opposite page give you an idea of the makeup of Hickories Dupont. Here is a bull that will appeal to breeders conscious of quality with size. You can tell he is the herd bull when you see him on pasture . . . for the cows aren't bigger than the bull.

He should be good. His sire is the great Louada Fearless and his dam is one of the top cows in the Hickories herd by Mercury's Control, one of the smoothest and best beef bulls ever used in the state of Wisconsin.

This bull has never been weighed but representatives of an artificial breeding service "taped" him (rather they tried to, and ran out of tape) and estimated him at 2,400 pounds. He does not possess the usual hornsiness or coarseness associated with ton bulls. He is well balanced and stands on sound legs. He is siring calves of club calf calibre and his yearling sons and daughters are impressive.

Hickories Dupont stood second in his class at the 1960 Minnesota State Fair as a summer yearling. Here is a bull young enough to do service for a long time. Yet, his proved breeding ability is evident in the calves and yearlings sired by him.

Here is a bull worth traveling a long way to buy. You'll always be proud to have a bull like this in your pasture.

**CLOVERIDGE  
DUPONT 5th . .**

This straight lined, good bodied, roan is the junior herd sire for the Sandsness Bros. A number of females carry his service. He is a son of the impressive Hickories Dupont.

**Lot 2**

**Bull**

## A GOOD TIME TO BUY!

This year has marked a turning point in the Minnesota Shorthorn business. Our breed is on the move! There is a renewed enthusiasm for Shorthorns in both the range areas and farm belts. More and more commercial producers are turning to Shorthorn bulls to improve the quality and profit potential of their herds. The future outlook for the Shorthorn bull and female trade looks good . . . especially for those who can supply breeding stock of top quality. Now is the time to set your herd right.

## WHY BUY SHORTHORNS?

The answer is obvious . . . they will put more profit into your cattle program. Shorthorns are world renowned as the GREAT IMPROVER. No breed will infuse extra quality into your operation so quickly. Look at these results . . .

- Louisiana State University tests show Shorthorn crosses with Angus and Herefords are superior to the Angus-Hereford cross in weaning weight, rate of gain, and carcass grade.
- Shorthorns have topped the Kentucky Performance Tests for five straight years.
- A Quebec Department of Agriculture study proved that Shorthorns mature earlier and produce a higher carcass grade than blacks and whitefaces.

The trademark of the Shorthorn cow is that husky calf at her side. Her superior milking ability gives that calf a faster start and at weaning time there are more marketable pounds of quality beef.

**THE PROFIT CONSCIOUS FARMER AND RANCHER  
BUYS SHORTHORNS !**

# WHY BUY SANDSNESS SHORTHORNS?

Again, the answer is obvious . . . this herd is the result of 46 years of careful upgrading, close culling, and constant improvement. Only the best sires have been used . . . attention has always been paid to size and consequently the cows are the practical kind that need no pampering.

But even more important, you will be buying from one of the nicest families ever to be associated with Shorthorns. Their reputation for quality and fair dealing is widely known in their own area.

I hope you will be present for this dispersion. Your presence will be a tribute to the good job the Sandsness family has done for our breed and will clearly mark you as one of those intent upon getting ahead in our industry.

BILL STUNKEL, Sale Manager

Use a Shorthorn bull on your commercial herd. Shorthorn bulls sire faster gaining calves that are less susceptible to disease, that are more docile, that will put on gains efficiently and smoothly to assure greater profits for you.

Lot 24 — Cloveridge Augusta 21st has an April 27 roan heifer calf by Dupont and rebred to him on July 6.

A few of the typy cows that make up the Sandsness Bros. herd. It has been cows of this type that have made their herd a leader in Southeastern Minnesota.

## THE BUTTERFLY FAMILY . . .

The original Butterfly cow came to Sandsness Bros. from Helfred Farm. This was one of the greatest cow families in the Iowa State College Herd. The Clover Ridge Butterflies are "stickouts" in herds of Sandsness customers. This family has produced most of the champions shown by this firm.

Lot 51 — Cloveridge Missie 29th has a May 15 roan bull calf by Hickories Dupont. Rebred to him on July 17th.

The greatest buying opportunities come in dispersals. Buyers are able to bid on favored cows that would not be available for sale under any other circumstances. The opportunities to add quality to your herd are especially good in this sale. Forty-six years of constant improvement have gone into the cattle that are being offered in this dispersal sale.
